Have a Great Summer!

## 3A & 3B May 2016 Newsletter

Three's and now "Four's" will have a marvelous mini May as we take time to smell the flowers. Sunshiny Spring days have inspired us to bring flowers into our classrooms. The children will have opportunities to create flowers, investigate flowers and seeds with magnifiers, smell the different scents of flowers, and learn what a flower needs to live and grow.

The last day of 3A and 3B preschool is Thursday, May 18<sup>th</sup>. We are planning a fun filled day for the children. We will meet at Ewing 1 Park (on Towanda Ave.) for a day of fun activities. An exceptional send off into summer! Parents or a child's special guest are invited for the last 30 minutes of class time. Children will receive a portfolio work done throughout the preschool year. Remember all the pictures on our Shutterfly website? They will remain available until June 30, when we will begin to prepare the website for next preschool year. So save the ones you want onto your computer or have them printed or create a book (surely there will be a great coupon for a good price coming soon).

May we take this moment to thank all of you who have made this year such a positive experience for all the staff as well as the children at Noah's Ark Pre-school. Have a wonderful summer!

We will look forward to seeing many of you at the 2017 OPEN HOUSE, August 26.
