

Noah's Ark News for 3C & 3D

The 3's will start the new year out with our Bible story for the month and a Christmas gift show-n-tell. Have your child bring one of their favorite Christmas gifts they received for a **show-n-tell on January 9th**.

The first week of January will be spent having fun with ice cream. We will cut, count and create scoops of ice cream. We will explore cold and ice in the sensory table. We will talk about what our favorite flavors of ice cream are and how ice cream is made.

There will be No school **on January 16th**.

There will be no classes **on January 18th**, the day for our parent/teacher conferences. A sign-up sheet will be available on the first day back to school. We always enjoy the opportunity to talk with you about your child. If you have any questions or concerns, please talk to your teacher ASAP so we can address any concerns at your conference. If you are deliberating over a class choice for next year, please feel free to ask your teachers opinion.

We will go on a field trip to the Normal public library on Friday, January 20th. The 3C class will meet at the library at 9:00-10:45am. The 3D class will meet at the library at 12:00pm-1:45

. Our Ball unit will begin on Wednesday **January 23rd**. Each child should bring a ball to school that will add to our exploration over the next several days. We will explore the balls in a lot of different ways (bouncing, kicking, as paint tools, etc.) If you have gift-wrap or mailing tubes we would appreciate them to aid in our exploration.

We wish you many blessing for the 2017 year.

Mrs. Schulz, Mrs. Sampson and Mrs. Ford
