## 3C & 3D May News

We are going to have a marvelous May with the 3 1/2's and 4's as we start our month with our last Bible story. Hebrews' 13:16 Friends share with others.

Then May will be all about May flowers and Mom's. We will make observation about flower changing color and be making a "smelly" flower. There will be a special Mom's gift worked on and presented to our lovely Mother's on May 12th. **I invite all Mom's and Grandma's to come to school 10 minutes before the end of class on the 12th and join myself and your children in the room for a performance of songs for Mom.**

On Monday May 15th we will have a favorite things day at school, which means I will be asking your children what some of their favorite thing were to play with at school this year and pull those toys and games out for the day. I am sure Hungry, Hungry Hippo will be on that list!

Wednesday, May 17th will be our last day of school and we are planning a fun day at Ewing Park. Please meet at Ewing Park 2 (off of Ethell parkway) where we will start out fun day off with stories and a nature walk through the trail which will lead us to Ewing Park 1 where we will spend time playing at the playground. Children will receive their portfolio of their three year old year at Noah's Ark. If you have any pictures of the children or events from this preschool year, Please feel free to upload them to the Shutterfly class site. The Shutterfly class site will remain active until the end of July....SO if you want to make any photo albums or print any picture please do so before the site is taken down.

May we take this moment to thank all of you who have made this year such a positive and wonderful experience for all the staff as well as the children at Noah's Ark. We feel very Blessed to be a part of your child's life.

We will look forward to seeing many of you at the 2017 Open House.

Have a Wonderful Summer,

**Mrs. Schulz, Mrs. Sampson and Mrs. Ford**
