

Pre-K 5 Newsletter

In April we will continue to learn about the planet earth. We will be discussing, mountains, flatlands and forests. We will also take time to discuss the importance of taking care of the earth.

Throughout the month we will be making booklets, reviewing letters and rhyming words and doing some science experiments.

We will make a land formation from salt dough clay. The children will add their own rivers and forests.

We will also be talking and learning about plants.

On Thursday April 28th at 6:00 the children will present a program to you on “We Love the Earth”. You will bring your child to the classroom at 5:45. The program will be presented in the Parish Life Center.

Special Dates in April and May are listed below:

April 15th- We will meet at Miller Park Zoo to visit the Rainforest exhibit and explore the rest of the zoo.

April 19th-St. Jude Trike-a-Thon held during the school day. Bring your child's bike to school to ride

April 26th-Field Trip To Niepagen Greenhouse-meet there at 12:15.

April 29th-We will walk over to Ewing Park to help the grounds staff plant trees .We will leave school at 12:45.

May 12th- Last day of school, we will meet at Anderson Park from 5:00-7:00 for a family picnic. No regular class that day.

More details on all these events will be in upcoming notes.

Enjoy your last two months of Noah's Ark!
